Congratulations to you all. We look forward to getting to work in September!

Please refer often to the musical web site: www.NAMusical.com

This is the primary source for musical information, so you and your families should check this site often. On the website you will find information on rehearsal days/dates (once decided), and any other important information that we need to share.

Once rehearsal days and dates have been decided and announced, we will expect a COMMITMENT from you. You will be expected to attend **every** rehearsal and performance, unless there is an urgent reason for your absence (death in the family, severe illness, etc.). If you feel that you are unable to make this commitment, please decline your place in the show now, and consider auditioning again next year.
