

Pending approval of the Play Review Committee and the Board of School Directors,  
the North Allegheny Music Department wishes to present:

# CHILDREN OF EDEN

Though *Children of Eden* is based on stories from Genesis, we are confident we can provide a secular educational experience. From the composer of *Wicked* comes this joyous and inspirational musical about parents, children, and the meaning of life. An expansive and ambitious musical, the original production used a cast of sixty. The show ultimately delivers a bittersweet but inspiring message that "the hardest part of love... is letting go."
